Description of Property and Justification: *(Please attach map and photo)*

The Hicks House (CARR-1704) is located at 1404 Littlestown Pike. This two-story house was built in 1932, features a brick exterior laid in common bond, and a hipped roof covered in composition shingles. The structure rests on a solid foundation of cast concrete stones. A one-story, two-bay hipped porch supported by tapered square wooden columns on brick piers is located on the east elevation of the house. Also on the east elevation is a hipped dormer on the roof. A second porch with a hipped roof is located on the south elevation. The original windows have been replaced with one-over-one aluminum sash windows. A brick chimney is located on the southern interior portion of the roof. Northwest of the house is a metal shed with a gabled roof.

This dwelling exhibits a design common for the period. This resource has no apparent association with any event or person significant in our nation's history, lacks architectural significance, and does not appear to have the ability to yield important information. The Hicks house is recommended as not eligible for the NRHP under Criteria A, B, C, or D.
