- Historic Structures Reports

Comments: Mr. Lees has over twenty-five years experience with historic properties in varying capacities, from research and investigation to design repairs and compatible additions to and/or rehabilitations of a wide assortment of structures.

The consultants on this list have asked to be listed because they have provided, or have expressed interest in providing, professional services in the identification, evaluation and treatment of Maryland's historic resources. In providing this list, the Maryland Historical Trust is in no way endorsing any of these consultants. Because it is not possible for us to fully verify the experience and credentials of the firms and individuals included here, we strongly recommend that you ask for and check references before hiring anyone included in this list.
