Matching Guidelines for Grants

Many grants require what are called “matching” funds. To help you understand whether or not funds can be used as match, common grants are categorized based on their funding source. For State of Maryland programs, you can match funds across the columns, but not within the column. For example, MHT Museum Assistance grants cannot match Maryland Heritage Areas Authority grants, but applicants could use Preservation Maryland funds as part of their required contribution.

STATE FUNDS	FEDERAL FUNDS	PRIVATE FUNDS
Maryland Historical Trust: Capital Historic Preservation Grants Museum Assistance Grants Non-Capital Historic Preservation Grants African American Heritage Preservation Grants Maryland Heritage Areas Authority Grants State Bond bills Maryland State Arts Council Maryland Traditions Community Legacy	MHT Certified Local Government Grants Maryland Humanities Council State Highway Administration Transportation Enhancements Scenic Byways Recreational Trails Chesapeake Bay Gateways & Watertrails Preserve America National Endowment for the Humanities National Endowment for the Arts Institute for Museums and Library Services Save America’s Treasures Community Development Block Grants	Preservation Maryland Foundation grants Individual donations Community Foundations
