**MHT Board Interim Conference Call  
September 25, 2014 at 2:00 PM**

MHT Board Executive Committee: Edson, Chair; Bailey, Poffenberger

MHT Staff: Rodney Little, Nell Ziehl

In June 2014, the MHT Board approved the award of up to \$7,288 for the City of Frederick to document the destruction of many of the city's significant historic places in a book titled "Lost Frederick." The City of Frederick has since notified MHT staff that they will be unable to complete the project due to a lack of staff resources.

MHT staff recommended reassignment of the grant to Calvert County, which ranked next among the applications reviewed by the selection committee for FFY2014. Calvert County will use these funds to complete a web-based project covering the history of the communities in and in the immediate vicinity of Solomons, Maryland, focused on water trades and fisheries and the lives of the people that worked in those industries. The products will be available on the Calvert County website and will include video, maps linking the different segments to geography, and oral histories collected by the Calvert Marine Museum in the early 1980s.

Margot Bailey made a motion to approve the following resolution, seconded by Brien Poffenberger which was unanimously approved.

**RESOLVED**, that the Maryland Historical Trust Board of Trustees approves cancellation of the FFY2014 Certified Local Government grant of \$7,288 to the City of Frederick and reassignment of those funds to Calvert County.
