Total Matching Funds Expected

- Your organization must match MHAA funds dollar-for-dollar, with any combination of cash and in-kind contributions.
- This means that if you receive a \$5,000 grant, your organization must spend an additional \$5,000 on the project using non-state sources of funds.
- This match may be "in-kind," meaning it may consist of volunteer hours you plan to spend on the project (currently valued at \$29.51 per hour) and the documented value of donated services and materials.
- All match must be spent after the grant is awarded.
- If you plan to spend additional match, beyond the required dollar-for-dollar match, list the total amount of non-state funds you anticipate spending on the project here. Leveraging more than the required one-to-one match is not a requirement and will not mean that your project is more likely to be funded.
