

**IMPORTANT ANNOUNCEMENT
REGARDING
HOMEOWNER AND SMALL COMMERCIAL
TAX CREDIT PROGRAMS**

Effective September 1, 2015, MHT's Home Owner and Small Commercial tax credit programs are unstaffed. MHT is currently in the process of filling these positions and hopes to do so as soon as possible.

In the interim, MHT will continue to review amendments to existing Part 2 applications as well as Part 3 applications for both programs in a timely manner. MHT will accept complete Part 1 and Part 2 applications for both programs, but will not initiate review of these applications until the programs are fully staffed.

During this period, MHT will evaluate all new Part 1 and Part 2 applications for completeness as they are received. Any deficiencies will be communicated to the applicant in writing. Applications will be date stamped as they are determined to be complete by MHT and placed in a queue for future review.

At such time as Home Owner and Small Commercial tax credit programs are fully staffed, MHT will begin the review of new Part 1 and Part 2 applications in the order in which they were received. Please be aware that any work initiated prior to MHT's approval of a Part 2 application will not qualify for tax credits and may result in a denial of the entire application. Please consider these factors when planning a timeline for your project. As always, MHT staff will be available to answer questions regarding your project as you prepare the application.

We apologize for any inconvenience caused by our current staffing shortfall. Please continue to monitor our website for updates.

Thank you for your understanding and patience.
