## STATEMENT OF SIGNIFICANCE

OLD NATIONAL PIKE: First federally funded highway, 18...  
 Since the late 18th century the general path of the Old National Pike has been a major route west from Baltimore; consequently, going through a number of changes, the most drastic of which was the construction of U. S. 40. Several segments of the original 1830 highway remain, paved and re-paved, with the inns and towns that it made possible, intermittently entwined with modern roads. The milestones and inns are on the National Register.
