SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This site comprises several noteworthy buildings of various periods: a five-bay Flemish bond brick house, two stories in height with a full-height portico integral with its gable roof, apparently dating from the second quarter of the nineteenth century; several small outbuildings, some of which are apparently contemporaneous with the house; and a 20th-century frame building whose Alpine design is very unusual but altogether appropriate for this area.

\* See Vertical File at MHT for 1975 correspondence.
