This square dwelling is two stories tall and four bays wide on the northwestern-facing facade. Wall construction is of diagonal planks covered with german siding and asbestos shingles. The building rests on a high coursed ashlar stone foundation. The cross gable roof is covered with asphalt shingles. Eaves consist of a boxed cornice, soffit, bed mould and frieze with returns.

STATEMENT OF SIGNIFICANCE

This late 19th century farmhouse was probably built by John Crump who acquired part of a tract known as "Clifton Hill" from the Borden Mining Company in 1894. (Liber 76 Folio 186 and Tax Assessments) An 1896 assessment of Crump's property shows an improvement on the property assessed at \$400.00 which was conveyed to George Miller in 1905. (Tax Assessments 1896-1905-Liber 97, Folio 130) Miller's house appears on a 1928 map of the Consolidation Coal Company's No. 14 mine at Allegany Mines. During the 1920's Miller added two parcels of land to the property which he purchased from the Consolidation Coal Company. The Miller family occupied the house until 1945. (Liber 206, Folio 373)
