DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE

A building, belonging to Alex Randall, is marked on the 1878 county map for the location of this house. It is situated very near the road (Rte. 2) and is surrounded by several large trees. The house faces north, away from the river. It is of frame construction, 1 1/2 stories high, with a steeply pitched A-roof. The house is one room deep and three bays long with a single flue interior chimney at each end.

* Small one story additions ^{have} ~~has~~ been made to the east and west ends of the building in recent years. The south elevation is hidden by a shed addition and the north elevation is covered by an open, shed-roofed porch. The main entrance to the house is in the center bay under the porch. The windows in the house all have 6/6 pane sashes. There are three 6/6 pane dormer windows on either side of the roof.'

New siding has been applied to all the exterior walls except the front (north) wall where it has been protected by the porch roof. The east chimney has been rebuilt, the west chimney looks old.

The house appears to be in excellent condition.
