

AA-1926

9 Morris Street
Annapolis
Private

c.1903-08

Part of a row of two story two bay wide vernacular townhouses, rectangular in plan, 15' x 40', with a full width one story front porch. The porch retains its original turned columns and excellent sawn corner braces, but the balustrade has been replaced with asbestos shingles. The gable roof has a bracketed cornice, windows are 2/2 in flat casings with molded caps, and the entrance door has a transom. The foundation of the porch has been altered by the use of a solid concrete block wall. The frame structure is now aluminum siding.

Level of Significance: national state local

Prepare both a summary paragraph of significance and a general statement of history and support.

Significant as an example of later 19thC vernacular residential construction, exhibiting scale and massing of Federal period residences. Locally referred to as "Annapolis Federal." Part of a row that creates or contributes in a major way to the character of the streetscape. The value of the row is more than the sum of the values of the individual structures.
