DESCRIBE THE PRESENT AND ORIGINAL (If known) PHYSICAL APPEARANCE

facing Calvert St.

Calvert St.

The white stone rowhouse is one of a unit of 5.3½-storied, 2 bayed buildings. The building has been altered for commercial purposes with the addition of a store front (now boarded up) with a diagonally centered entrance. The second story has three double hung one over one's in a rounded bay. Story three has two double-hung one over one windows (full arched) over the bay window below. A circular wooden balcony surrounds them, capping the roof of the bay. The roof is slate mansard, interrupted by both a gable and a dormer window.

The side of the building has several bay windows: one three-sided, 3-windowed bay on second story only; one three-sided, 3-windowed bay extending to its roof has a conical roof over a third story wooden balcony. Two gables with windows as well as two dormers also punctuate the roofline of the side of the building.

An addition has been added to the back of the building.

These houses are laid in running bond.

Lintels have keystones and endstones, Blank Frize is surmounted by a braced cornice that tops the structure.
