DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This house is identical to 1222 N. Calvert Street below the double attic level. There, a single wide dormer appears as a continuation of the facade. A flat course of stonework, at the cornice level (the only masonry not rock cut in the group except for the front stairs) suggests that the now interrupted cornice was once continuous. This dormer has 2 one-over-one windows with relief sills and slab lintels and is capped by a peaked roof. Two shed dormers with small one-over-one windows flank the peak of the large dormer.
