DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE

This row house which is located in the middle of the block is three stories high and two bays wide, and has a flat roof and dates from the mid to late 1800's. The painted brick exterior (laid in running bond) is accented by flat stone sills and flat brick lintels. The other significant architectural element, the doorway, is located on the right, is rectangular in shape and surmounted by a transom. Stone steps lead to the doorway.

Symmetrical fenestration, proportionally scaled from first to third floors punctuates the facade. The windows are double-hung with one-over-one lights

A wooden cornice adorns the roofline.
