STATEMENT OF SIGNIFICANCE

Block 514: Read Street

This modest four house row was built c. 1884-87 by Alexander D. Michael, the man who was responsible for the building of the houses around the corner, at 901-911 N. Calvert. Although their original appearance is obscured by layers of formstone, the size and scale of these structures nicely state their side-street character, as they step down the hill of Read Street, offering a complementary view of the more stately Calvert Street.
