DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE

This rowhouse in mid-block and facing a driveway on its left, is, with minor exceptions, similar to 809 North Calvert St. The ground floor has been altered for commercial purposes; the outerdoorway has been rendered rectangular with flat transom and without molding, Four marble steps approach the doorway, while a single wrought iron rail stands on the right. The original door appears to have been larger and pedimented. The two right ground floor bays have been altered to form a single picture window with tripartite transom, stone sills and stone window cornice. The cellar windows of these bays are tripartite.

The upper floors resemble those of 809 N. Calvert St., but all windows have rectangular 1/1 lights. The lintels, sills, and cornice remain the same.

A small tree graces the sidewalk in front of the middle of the structure.
