Notable features:

Built in 1869-1870, originally Emmanuel German Reformed, Preacher Rev. Henry L. Grandlienard. The land was sold in 1850. By 1851 a building is shown on it on the maps (see clipping attached).

It is now so heavily formstoned as to be an "eye sore" but is carefully maintained.

Environmental context:

Opposite School # 161 and two bars on other corners; this corner is a congregating point and could use redesign for this purpose. Trees, pavings, benches, kiosks might be in order. Tree on Schroeder Street side of church should be saved and helped.
