Notable features:

A group of relatively early houses, now in poor condition; facing a terrace on Lexington Street. Numbers 1100, 1106, 1114 and 1116 have been formstoned. Scheduled for demolition to make way for recreation grounds.

Environmental context:

Lot at 1122 has been cleared and 1100, 1104-1112, and 1118 are vacant. These houses are important to the maintenance of scale and sense of street on this portion of Lexington Street. More large street trees are needed.
