D	Insignificant/detrimental	good	fair	poor	bad

Notable features:

Proportions are good and cast iron lintels are notable, as is doorway at number 12 and shop front and bay at number 14. If buildings are removed due to lack of environment, the cast iron lintels should be salvaged.

Environmental context:

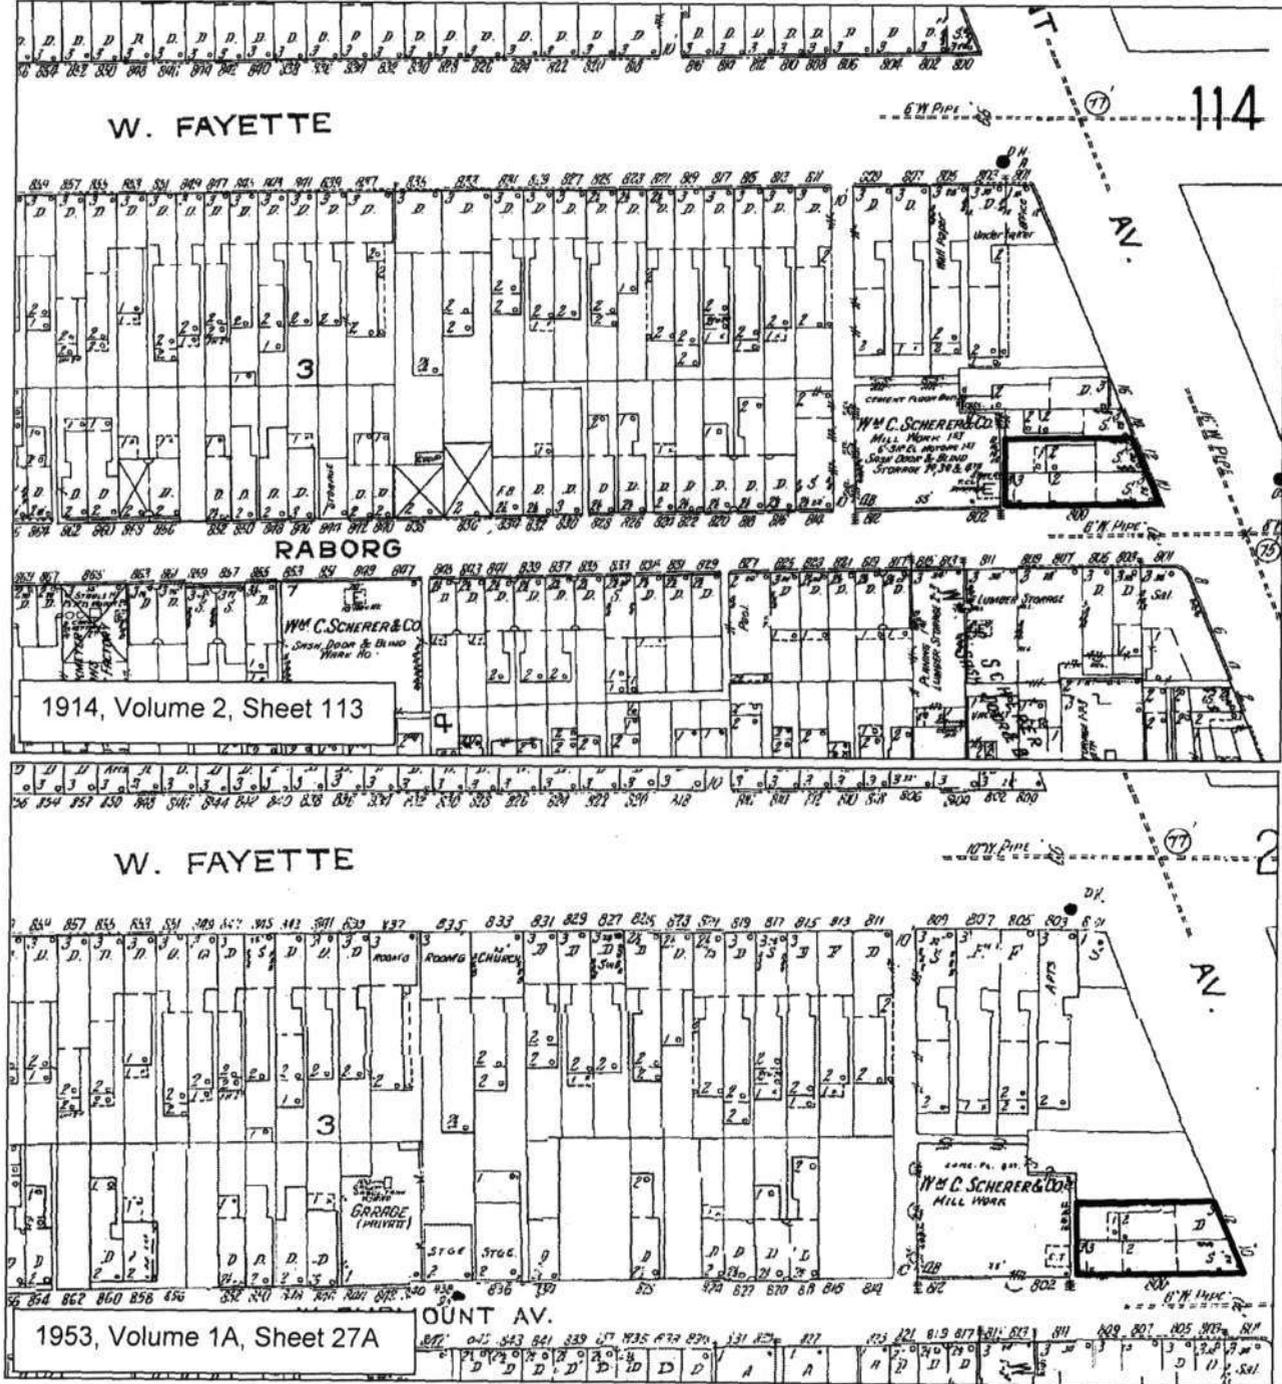

Lots numbers 114 and 115 were cleared and are now a part of the gas station property (801/809 W. Fayette). Facing on Fremont Avenue, with filling station next door, the houses are probably impossible to retain because of their environment and their condition. Busy, two-way street. Needs redesign along street.
