Notable features:

Continuous, good terrace, close in date to one another. Homes for prosperous middle class. The 1839-40 tax records show a two-story house in this block though none remain; it could have been removed and replaced by a larger house but its value (\$3000) would seem to suggest it was far from modest (see attached tax record).

Environmental context:

Number 842 is boarded up and vacant but there are no gaps. (See sheet for 814-828 W. Lombard.)
