Notable features:

Number 113 has a modern front. Number 131 has glass brick and brick first floor and formstone above -- ugly. Numbers 123-125 are in 2 story and attic style, but date after 1868. Numbers 121, 123, 125, 129 and 131 have been formstoned.

Environmental context:

There are no gaps but 103 is vacant. This is a quiet and pleasant street with two nice sized street trees which should be fed. With rehabilitation, this could be an acceptable residential area for workers in the nearby industrial areas.
