DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The two story, two bay residence has an irregular main facade. The entrance, framed by sidelights and transom, is surrounded by a bracketed wood design which follows the outline of the projecting second story oriel. The oriel windows are single sash with transoms and plain trim surround. A blunted cone, with plain boxed cornice, tops the oriel.

To the left of the main entrance is a first story bay with double hung, 4/4 windows in each section. Above this is a balcony with a wrought iron railing and segmental arch overhead. Opening onto the balcony is a window and door.

Contained within the main facade of the four sided mansard is a bellcast dormer with a Victorian round window.

SPECIFIC DATES 1875-99

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This unusual combination of architectural elements is evident in the inclusion of the hexagonal main entrance, first story bay, conical topped oriel, balcony and bellcast dormer. The borrowings are mainly from Victorian architecture and in this case, offer the appearance of a cluttered, but imaginative facade.
