

STARLIGHT FARM - 1854 - 10711 Anglohill Road, Warren Purchase subdivision, 0.5 mile north of Bosley Road, Warren vicinity. Built as home of Lewis and Sarah Cole and designed by Mrs. Cole. The family were members of the Regular Particular Baptist body and planned a house spacious enough for the annual gatherings which occurred nearby on Bosley Road at a church (now extinct) established in 1817. The Coles deeded to George H. Cole in 1857. The house first appears in the 1877 atlas as G. H. Cole's and he is carried in tax lists of 1876 and 1896. The family lost the place in 1901 through default of mortgage and it was purchased by Amandus C. F. Hansen. Later owners were John Franklin Wheeler, Edwin Harrall, and in 1968, Aubrey Pearre III.
