west side of Reisterstown Road  
opposite the terminus of  
Strawhat Drive  
Owings Mills

This property was identified by witness and neighbor, E. Bennett Bowen, as the site of the last tollgate and gate keeper's dwelling house. The collection of tolls was discontinued on May 25, 1915. The tollgate keeper's dwelling, a frame structure, was later moved for reuse as a residence, and was still later demolished. (Tax Map 58, parcel 727.)
