| <p>This small building, 2 bays wide and 1 bay deep, appears to be very old. It has a steeply pitched A-roof which continued down on one side to extend out and form a porch roof. The windows are 6/6. The board siding is rough hewn.</p> <p>It is possible that this is an old slave house. More research should be done to ascertain its original use and make provision for its preservation.</p> <p style="text-align: center;">* Note: CT-1072 is visible in the background of this photo.</p> <p><u>DETERIORATING</u></p> | |
