DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

late 19th century

Although two cross-gables, rather than the usual single pediment, accent the principal facade of this farmhouse, no other decoration distinguishes the building. It measures three bays long by one bay deep, and rises a true $1\frac{1}{2}$ stories high. Plain lapped weatherboards sheath the building, which rests on brick piers. This abandoned house sits on a bluff facing the crossroads of Lusby to the northwest.
