Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This mid-twentieth-century bungalow is oriented with its gable end facing east onto Calvert Street. It is a heavily altered one-story framed and weatherboarded structure that is set onto a concrete-block foundation. There is a concrete-block stove flue on the north side of the house. The facade is hidden behind an enclosed front porch and all of the windows have been altered. The siding is also new.
