Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This turn-of-the-century house faces south onto C Street. It is a two-story single-pile three-bay framed and weatherboarded structure with a two-room plan. There is a two-story rear ell which probably encloses an additional two rooms. The windows have six-over-six double-hung sash. There is an interior brick stove flue on the west gable end, and the main entrance is located at the center of the facade. The gable roof is covered with asphalt shingles.
