Elizabeth Downes House
Hillsboro
Private

Circa 1785

On the north side of Alternate Maryland Route 404 in Hillsboro stands a yellow stucco townhouse which was the residence of Elizabeth Downes, founder of the town of Hillsboro in the 1780's. From research undertaken by Eleanor F. Horsey, the house appears to have been constructed between 1784-87. More information will be published in Volume II of The Origins of Caroline County.

The house appears to have the plan of a townhouse, with side hall and two parlors. Its brick walls were stuccoed in the late 19th Century when the porch was added.

There are small chimney stacks inside each gable end. The entrance has a Victorian style door and transom and sidelights.

A frame ell has been added to the west side of the rear of the house. It has clapboard siding and a gable roof with a chimney stack midway along its length.
