Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This house dates from the turn of the century and is typical of the carpenter Queen Anne style. The main house has shingle covered gable ends, cornice returns, 1/1 sash windows and a wrap-around porch with a balustrade, turned posts and a string of turned balusters under the eaves.

A small modern brick addition on the east facade serves as an aptomotrist's office.
