The Armes House, located at 206 Maple Ave., Federalsburg, MD is not located in an historic district, nor is it considered eligible for individual listing on the National Register of Historic Places.

The Armes house is a 2-1/2 story L-shaped house built in 1900-1910. The frame structure sits on a parged concrete foundation and is covered with a gable roof. The windows are either 1 over 1 or 2 over 2 sash. A screened porch with a shed roof which still retains its decorative bracing covers a portion of the first floor ell.

The dwelling is typical of the domestic architecture of the period and lacks the architectural distinctiveness to qualify for listing on the National Register of Historic Places under Criterion C. The property is not known to have any associations with persons or events significant to our past and is thus not eligible under Criteria B or A.
