Criteria: A B C D Considerations: A B C D E F G None

Justification for decision: (Use continuation sheet if necessary and attach map)

Based upon the information submitted to The Maryland Historical Trust, the house at 10273 Bridge Street in Denton, Maryland is located outside the boundaries of the National Register-listed historic district and does not meet the criteria for individual listing. The two-story, three-bay, frame dwelling with a front gable roof is representative of late 19th century domestic buildings in rural Maryland and does not have sufficient distinction to qualify for individual listing.

Documentation on the property/district is presented in: Review and Compliance Files
