Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

Hance Steelman's <sup>cabin was located at the intersection of Hance's Branch</sup> ~~was located at the intersection of Hance's Branch and Little Pipe Creek.~~

and Little Pipe Creek. It was one of the earliest structures in this region but apparently it deteriorated ~~and was destroyed~~ in the late 19th century although its foundation was still visible in the early ~~to~~ 20th century (Historical Society of Carroll County Newsletter, June 1952). There is no above-ground evidence of the structure at the present time.
