Criteria: A B C D Considerations: A B C D E F G None

Justification for decision: (Use continuation sheet if necessary and attach map)

Located at 7301 Springfield Avenue, the Sykesville Middle School is a hodgepodge of construction periods. Only remaining original component is the gymnasium dating from 1932. The majority of the existing building dates from 1949 and 1958. Because the bulk of the school is less than fifty years old, I felt the building did not meet the MD register criteria.
