## Corbit's Charge Historic Marker

### **Architectural Survey File**

This is the architectural survey file for this MIHP record. The survey file is organized reverse-chronological (that is, with the latest material on top). It contains all MIHP inventory forms, National Register nomination forms, determinations of eligibility (DOE) forms, and accompanying documentation such as photographs and maps.

Users should be aware that additional undigitized material about this property may be found in on-site architectural reports, copies of HABS/HAER or other documentation, drawings, and the “vertical files” at the MHT Library in Crownsville. The vertical files may include newspaper clippings, field notes, draft versions of forms and architectural reports, photographs, maps, and drawings. Researchers who need a thorough understanding of this property should plan to visit the MHT Library as part of their research project; look at the MHT web site ([mht.maryland.gov](http://mht.maryland.gov)) for details about how to make an appointment.

All material is property of the Maryland Historical Trust.

### **Corbit's Charge**

**Here, June 29, 1863, Captain Charles Corbit led Companies C and D, First Delaware Calvary, against General J.E.B. Stuart's Calvary Division. Though repelled by overwhelming force, the attack delayed Stuart, and was a factor in his failure to reach Gettysburg Battlefield before July 2.**

**Donated by Mrs. Paul J. Nowland through the Delaware Civil War Centennial Commission.**
