DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This home is two-and-a-half stories in height and built of brick. It is three bays by two and the brick is laid in American bond. In the central bay of the 1/2 story is a peaked dormer with a double window that is rounded with brick arches over it. The front doors also have arches over them. This home has a stone foundation and cellar. Across the facade is a one-story porch that has chamfered support posts.

The roof was wooden shingle but it has been covered with asphalt shingles. There is a simple box cornice. None of the original sash remain. In each gable end are two inside end chimneys. Frame additions have been built on the rear.
