Crawford House CH-589

Contributing Resource Count: 3

7: Description:

Located on the east side of Livingston Road adjacent to the Maryland Airport property, the Crawford House is a one-story, three-bay, frame building with aluminum siding. The 1933 front-gable house features paired and single six-over-six-sash windows, standing seam metal roof, two interior brick chimneys, and exposed rafter tails. The centered front door is flanked by paired six-over-six sash windows. All the windows are shaded by metal awnings. The front porch is enclosed and there is a small rear ell. The rear ell is attached to a garage by a breezeway. The 1933 frame garage is covered with vinyl siding, has a standing seam metal roof, and exposed rafter tails. A small frame building is located south of the house and was apparently used as a commercial building. This circa 1935 side-gable building has single, double and triple casement windows, a large, exterior side, brick chimney, asphalt shingle roof, doors on the gable end and principal façade, and three-bay porch with metal supports. The building is covered with aluminum siding.

Crawford House CH-589

#8: Statement of Significance:

This building does not appear eligible for the National Register under Criteria A, B, or C. There is no known association with important events or people, the house no longer retains sufficient architectural integrity, and the building is typical for the area.
