 DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This two and one half story frame house, covered with shingles, is in need of paint but otherwise seems to be in good condition. There are two bays on the front plus a one bay gabled wing that projects toward the street, forming an L shaped house. This wing has a circular window in the attic and a bay window on the first story. There are two chimneys, one on each side of the house. The gable roof has a hip roofed dormer on the front with a double window. Across part of the front and the east side is a one story porch supported by Doric columns with a ballustrade between the columns. This house has been altered by the addition of asphalt siding.
