DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a detached pair of two story, brick houses, four bays wide and approximately five in depth with rear galleries. All brickwork is in common bond. Simple front entrances occupy the outer bays with period or newer doors and narrow overlights. All house windows are of 1/1 sash headed by two row segmental brick arches as above the doors.

The metal roof slopes to the rear and is fronted by an overhanging boxed cornice with dentil trim and narrow cut brackets divide and end the house lines. The building rests on a low fieldstone foundation.
