DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

#200 is a 2-1/2 story detached frame house, four bays wide and two in depth with a two story, frame "L" shaped wing, two bays wide and three in depth, side balconies, and a one story, frame addition. The house is completely sheathed with clapboarding. A newer door occupies the right (W) bay, and all house windows are of either 2/2 or 2/1 sash. A large, steep sloped central pediment tops the front facade with a small pointed top, 1/1 sash, attic window. The front section has a moderate slope, "A" frame roof with small enclosed chimneys rising at each end. This is fronted by a boxed cornice with the frieze, including the pediment, decorated by a band of dentils and moulding. The wing has a shed roof and both are of metal. The house rests on a low fieldstone foundation.
