#212 is a detached brick, 2-1/2 story house, three bays wide and two in depth with a two story, brick "L" shaped wing, two bays wide and four in depth with a side balcony. All brickwork is in common bond. The front entrance occupies the right (W) bay with a pair of paneled doors headed by a round arched transom. All front windows are also round arched and of 1/1 sash except for the wide first floor window which is of 1/2 sash. These are topped by two row header brick arches as are the segmental arches of the 2/2 sash windows on the rear area. The attic is lighted by a small, four pane window in each gable. The front section has a moderate slope "A" frame roof resting on three string brick cornices with a small enclosed chimney rising from each side. The wing has a shed roof and both are of metal. The house rests on a low fieldstone foundation.
