This is a 2-1/2 story brick building detached on the right side. It is three bays wide and two bays in depth with an "L" shaped wing three bays in depth and two bays wide with an enclosed side balcony. This is joined by a one story concrete block extension for the first floor business. All brickwork is in common bond. There is a narrow entrance door in the right bay, but the two former windows to the left have been bricked in. The second floor front windows are now of 1/1 sash with segmental brick arches as over the doorway. The front section moderate slope "A" frame roof is supported on the front by a two string brick cornice and the wing has a shed roof-- both of metal. Small enclosed chimneys rise from the gables. The building rests on a low foundation.
