DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a two story pair of attached frame houses four bays wide and five bays in depth with a rear gallery. #44 is now sheathed with asphalt siding and #46 is now sheathed with aluminum siding, both over the original clapboarding, which remains visible on the wing. Newer doors occupy the center bays with narrow overlights and most windows are now of 1/1 sash with an old four panel door remaining on the wing. The entire roof slopes to the rear. This is fronted by a moulded cornice trimmed with dentils. The building rests on a low brick faced fieldstone foundation.
