**DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE**

This is a detached pair of two story brick houses, four bays wide and three bays in depth with a two story frame "T" shaped wing, two bays square. All brickwork is in common bond and the wing is covered by old board and batten siding on the first floor and asphalt shingles on the second story. Simple front entranceways occupy the second and fourth bays from the right (E) side with #161 retaining a four panel door and three pane overlight. All house windows are of 6/6 sash with wood lintels and sills, and there are four panel doors on the rear. The front section roof slopes to the rear and the wing has a low "A" frame roof, both metal. The front roofline has an overhanging boxed cornice with brackets decorated by turned pendants, dividing and ending the bays. This building rests on a low fieldstone foundation and is fronted by a brick pavement.
