## DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a 2-1/2 story brick attached house, probably an early extension of #200 after it became a shop after closure of the tavern. Both are now owned by the same person. It is two bays square with a rear balcony and a more recent one story, one bay square wooden extension. All brickwork is of common bond. The front entranceway occupies the left bay with a glass over panels door, a paneled enframent similar to that of #200, and a three pane overlight with a moulded transom bar of the same design as #200. All windows are of 6/6 sash except for a 1/1 now on the first floor, and all have wood lintels and sills and louvered shutters. The metal roof is of moderate slope "A" frame with a small enclosed chimney on the right gable. This is supported by a three string brick cornice. The building rests on a low foundation and is fronted by a herringbone pattern brick pavement
