This is a two story, brick, detached row of houses, ten bays wide and approximately three in depth with the first four houses sharing two, two story, brick "T" shaped wings, three bays wide and one in depth with newer frame extensions. #208 has a two story, brick "L" shaped wing, one bay deep and 1-1/2 bays wide. All brickwork is in common bond.

The entrances are in the left bays of #200, 202, & 206, and in the right bay of the others. Most doors are newer except for the four panel door for #204 which may be original, and all are headed by rectangular transoms. There is an enclosed passage to the rear yards between #202 and 204.

First floor front windows are double with 1/1 sash except for #200 with the mullion removed. Those above are of regular 2/2 sash. Rear windows consist of 2/2, 6/6, and 6/1 sash. All fenestrations are headed by two row brick header, segmental arches.

The roof slopes to the rear and is fronted by a boxed cornice trimmed with dentils.

This building rests on a low fieldstone foundation and is fronted by brick pavements.
