DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

House: #1

This frame house is situated on a hilly area at the foot of Big Savage Mountain, and faces north. It is a two story, two bay by one bay structure with a gable roof. A 1½ story shed addition abuts the rear south elevation. A porch extends across the facade (presently propped up by two 2" x 4" posts). The entrance is located to the east side of the facade.

Two over two sash windows light the house. A single pane window appears in the east and west elevation of the ½ story in the shed addition. A double, three over one sash window appears on the first story front of the east elevation (and probably on the west elevation as well). The house is covered with hexagonal-shaped asphalt shingles. Asphalt shingles cover the roof.

House: #2

A second, almost identical house sits east of this one.

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

These houses are examples of common western Maryland type dwellings. Houses of this general configuration, a rectangular main block, were constructed in Garrett County from the late nineteenth through the early twentieth centuries.
