Jeff Lohr House
Oakland Vicinity
Garrett County

Preparer: Helen P. Ross
Date Prepared: March 27, 1997

Resting upon a concrete block foundation, this is a 2 story, L-plan frame dwelling with a single story, full width attached front porch. The house is covered with a mixture of asbestos shingle, wood shingle, and fiberboard sheathing. Most of the original two-over-two light, double hung sashes have been retained with the exception of several modern single sash units on the first story. At the rear elevation of the double pile house is a partially enclosed single story, hipped roof frame porch. While on the projecting facade gable is a three-sided bay window.

Located behind the dwelling is a single story, modern, concrete block facade block gable roofed garage with wavy edged asbestos shingle siding, and asphalt shingle roof, and a pair of overhead frame and glass light vehicle doors.
