Tioga Tanning Company Sears & Roebuck House
Hutton Oakland Road (MD 39)
Hutton

Facing west onto MD 39, this 1-story gable-front frame house has exposed rafter feet, and a gabled porch. Three bays wide and three long bays deep, the house is covered with brown wood shingles. Most windows are 6/1 sash. The west elevation consists of a center door flanked by two of these windows. The north elevation contains three of these windows. The south elevation, however, has two pairs of these windows in the westernmost two bays. The easternmost bay has a tripartite window, with one large pane flanked by two narrow panes. To the east (rear) of the house is a shed-roofed addition with a 1/1 sash window on its south facade. A single stove chimney rises from the roof, just north of the ridgeline, towards the west (front) end of the gable roof. The porch, covering the front of the building, is supported by square posts with latticework balustrade between them.
