G-VI-A-016  
208 North Second Street  
Garrett County

Preparer: Gabrielle M. Lanier  
Date Prepared: March 27, 1997

There appear to be almost no major changes to the exterior of this building since the 1975 survey. The only apparent change consists of the addition of a narrow band of aluminum or vinyl cladding on the second-floor bay. There are no visible outbuildings. The building, which is still used as a dwelling, is currently occupied and remains in excellent condition.
